Library Orientation Session During Two-Week Induction Training Programme for 41 newly recruited Technical Assistant (Lab), Senior Technician and Technician

As part of the Two-Week Induction Training Programme organized for newly recruited staff, an orientation session was conducted by the BIS Library on 15th May 2025. This session was specifically designed for 41 new recruits, including Technical Assistants (Lab), Senior Technicians, and Technicians. The objective of the session was to introduce the participants to the various resources, services, and facilities offered by the BIS Library, which play a vital role in supporting their technical and professional development. The session was led by Mr. Harsh Wardhan, Librarian, Library Services Centre (LSC), and Ms. Nidhi Singh, who represented the BIS Library team. They provided a comprehensive overview of both print and digital resources available through the library, including Indian Standards, technical journals, reference materials, and online databases. The recruits were also guided on how to use the Online Public Access Catalogue (OPAC), access digital repositories, and utilize the BIS Intranet resources. Detailed information on library membership procedures, borrowing privileges, and inter-library loan services was also shared. The session concluded with an interactive Q&A segment, during which the participants actively engaged with the presenters, reflecting their enthusiasm and appreciation for the support provided by the BIS Library.
