

BUREAU OF INDIAN STANDARDS

Program of Work

FAD 8 : Food Additives

Scope: A) Food additives (colours- Synthetic & natural, preservatives/mould inhibitors, acidity regulators, Improvers, flour treatment agent, artificial sweeteners, nutrients, yeast, jellifying agents, antioxidants, synergists, emulsifying and stabilizing agents, flavours, flavouring agents, leavening agents, surface/coating agents, encapsulation agents & dough conditioners, etc) permitted under the Food Safety & Standards Regulations; B) Their methods of test in food products; and food additives produced through the application of biotechnology C) Physical and chemical methods of test pertaining to this committee including microbiological aspects D) General methodology for sensory evaluation including nutritional aspects

Liaison:
