

## BUREAU OF INDIAN STANDARDS

### Program of Work

#### CHD 8 : Occupational Safety and Health

**Scope:** To formulate Indian Standard for i) Terminology relating to Occupational health and safety ii) Specifications and code of practice for occupational health and safety equipment iii) Code of safety for operational hazards in industries other than chemical industries iv) Test methodologies for occupational health and safety equipment v) Occupational health and safety management system, procedure and practices;

**Liaison:** **ISO TC-283 (P): Occupational health and safety management** **ISO TC-94 SC-6 (P): Eye and face Protection** **ISO TC-94 SC-15 (P): Respiratory protective devices**
