

BUREAU OF INDIAN STANDARDS

Program of Work

MED 32 : Photographic Equipment

Scope: Formulation of standards on: a) Terminology, material requirements, measurements, tests, calculations and performance for photographic equipment and accessories including cameras but excluding chemicals, paper and film. b) All types of equipment and accessories used in silent and sound motion picture projectors (including still projectors), sound recording and reproduction including dimension cinematographic films. Note 1 - The scope does not include components of cinematographic equipment which are already explicitly covered by the scope of other committees, such as acoustics, Recording, electric lamps, glassware. Note 2 - Video recording equipment is excluded. Note 3 - Formulation of standards on photographic materials is covered in inorganic Chemical and photographic materials sectional committee, CHD 1. Co-ordination of work with ISO/TC 42 Photography and ISO/TC 36 Cinematography..

Liaison: **ISO TC-36 (P): Cinematography** **ISO TC-ISO/TC 42 (P): Photography**
