NATIONAL INSTITUTE OF TRAINING FOR STANDARDIZATION

BUREAU OF INDIAN STANDARDS

Ministry of Consumer Affairs, Food & Public Distribution
Government of India

About BIS

Bureau of Indian Standards (BIS) being the National Standards Body of the country discharges multitude of functions and services for enhancing the quality ecosystem in the country. The activities of BIS include standards formulation at national and international level, conformity assessment schemes (Product Certification, Systems Certification, Registration and Hallmarking), testing and training. All these activities are carried out through their network of offices at its headquarters, regional and branch offices and labs spread throughout the country.

About NITS

National Institute of Training for Standardization (NITS), the training arm of BIS, was set up under the aegis of BIS in 1995 to meet the growing needs and expectations of the industry for quality training in the fields of standardization, quality assurance, management systems, certification, laboratory testing, etc.

Since then, NITS has been organizing various types of training programmes for industry as well as for consumer bodies and common man. NITS has also been organizing various International Training Programmes for Developing Countries of Asia, Africa, Europe and Latin & South America. The programmes are conducted by a team of well-experienced, qualified and trained faculty.

The annual Training Calendar for FY 2026-27 can be accessed via the following link: -
https://www.bis.gov.in/training-2/annual-training-calendar/

On many occasions, NITS client organizations require training courses customised for their officers/staff and conducted at their premises/online. NITS caters to these requirements by imparting the training at the premises of the clients on request. Such customized programmes conducted on specific request of client organizations at their premises/online are called as 'Off-Campus Programmes'.

Over the years has acquired the reputation of being the leading institute in the country offering trainings in the field of standardization, conformity assessment and quality. NITS has served various organizations from Ministries/Departments of Govt of India and State Govts, PSUs, private organizations, consumer organizations as well as individual professionals.

About the Course

- 5-Day Lead Auditor Course on Quality Management System (QMS) as per IS/ISO 9001:2015 is a comprehensive training program designed to develop the knowledge, skills, and competence required to plan, conduct, report, and follow up audits of a Quality Management System against the ISO 9001:2015 standard. Quality Management System – a structured system of procedures and processes to ensure that an organization can consistently meet customer and regulatory requirements. The international standard that specifies requirements for a quality management system. It's the most widely used QMS standard in the world.
