# Vichitra Vir Singh

Scientist-C at Bureau of Indian Standards  
New Delhi

## Experience

Bureau of Indian Standards

9 years 5 months

Scientist

May 2012 - Present (9 years 5 months)

New Delhi, Delhi, India

I am currently posted in Production and General Engineering Department (PGD) and working as Member secretary of the Technical Committees like Pneumatic and Hydraulic Tools sectional committee (PGD 08), Educational and Instrument Sectional Committee (PGD 22), Arms and ammunition for Civilian Use Sectional committee (PGD 28), Cutting Tools sectional committee (PGD 32) & Transmission devices Sectional Committee (PGD 33) and also coordinating with respective national mirror committees of International Organization for Standardization (ISO) at Bureau of Indian Standards (BIS), New Delhi.

Scientist-B

June 2012 - December 2016 (4 years 7 months)

Ghaziabad, Uttar Pradesh, India

I was posted at Ghaziabad Branch office (GZBO) as scientist-B from June 2012 to December 2016 and worked as certification officer. As a certification officer I had got the opportunity to visit and conduct various technical audits/ inspection at many industries which was under GZBO jurisdiction for Grant of BIS Lises to use the Standard mark (ISI). Here I was got the extensive exposure to the various Indian manufacturing industries due to BIS certification schemes.
