

## **DRAFT INDIAN STANDARD IN WIDE CIRCULATION**

**Reference : CHD 34/25247 WC**

**Date : 18 April 2024**

**TECHNICAL COMMITTEE : Environmental Management, CHD 34**

**To,**

**All concerned**

Dear Madam/Sir,

The following document has been prepared by the Environmental Management Sectional Committee, CHD 34. Please [click here](#) to view the document.

**Document Number : CHD 34 (25247) WC**

**Title of the document : LIFECYCLE RISK MANAGEMENT FOR INTEGRATED CCS PROJECTS**

**Document Type : New Indian Standard**

*This document has following salient features which may require specific attention for your valuable comments:*

- 1) This standard is intended to address more broadly applicable lifecycle risk management issues for integrated CCS projects. Specifically, the focus of this standard is on risks that affect the overarching CCS project or risks that cut across capture, transportation, and storage affecting multiple stages.*
- 2) It needs to be noted that environmental risks, and risks to health and safety should be very low for CCS projects provided the project is carefully designed and executed. Risk identification and management is part of the due diligence process.*

Please examine the document and share your comments regarding further improvement in the document.

**Last date for sharing the comments is : 20 June 2024**

The comments should be shared in the prescribed template through this portal only; and the comments so received shall be taken up by the Sectional Committee for necessary action. For any other query, please write an email at [chd34@bis.org.in](mailto:chd34@bis.org.in) to the undersigned at Bureau of Indian Standard, Manak Bhawan, 9, Bahadur Shah Zafar Marg,

New Delhi.

In case no comments are received, we would presume your approval of the documents. However, in case we receive any comments on the document, the same shall be put up to the Sectional Committee for necessary action.

Thanking You,

**Yours faithfully,**  
**(AJAY KUMAR LAL)**  
**Head (Chemical Department)**
