## DRAFT AMENDMENT TO INDIAN STANDARD IN WIDE CIRCULATION

Reference : litd/11/28893 Date : 01 October 2025

TECHNICAL COMMITTEE: Fibre Optics, Fibers, Cables And Devices, LITD 11

To,

## All concerned

Dear Madam/Sir.

The following document has been prepared by the Fibre Optics, Fibers, Cables And Devices Sectional Committee, LITD 11. Please click here to view the document.

Document Number: LITD 11 (28893) WC

Title of the document: Optical fibres: Part 1 measurement methods and test procedures: Sec 20 fibre

geometry (First Revision) Amendment - 1

Document Type: Amendment to Indian Standard (IS/IEC 60793: Part 1: Sec 20: 2014)

This document has following salient features which may require specific attention for your valuable comments:

- 1) The formal decisions or agreements of IEC on technical matters express, as nearly as possible, an international consensus of opinion on the relevant subjects since each technical committee has representation from all interested IEC National Committees.
- 2) This part of IEC 60793 establishes uniform requirements for measuring the geometrical characteristics of uncoated optical fibres. The geometry of uncoated optical fibres directly affect splicing, connectorization and cabling and so are fundamental parameters requiring careful specification, quality control, and thus measurement.

Please examine the document and share your comments regarding further improvement in the document.

## Last date for sharing the comments is: 30 November 2025

The comments should be shared in the prescribed template through this portal only; and the comments so received shall be taken up by the Sectional Committee for necessary action. For any other query, please write an email at litd@bis.gov.in to the undersigned at Bureau of Indian Standard, Manak Bhawan, 9, Bahadur Shah Zafar Marg, New Delhi.

In case no comments are received, we would presume your approval of the documents. However, in case we receive
any comments on the document, the same shall be put up to the Sectional Committee for necessary action.

Thanking You,

Yours faithfully, (JITENDER KUMAR) Head (Electronics and Information Technology Department) Email: litd11@bis.gov.in
