

DRAFT INDIAN STANDARD IN WIDE CIRCULATION

Reference : MSD 17/T-48

Date : 06 March 2024

TECHNICAL COMMITTEE : Risk Management, Security and Resilience, MSD 17

To,

All concerned

Dear Madam/Sir,

The following document has been prepared by the Risk Management, Security and Resilience Sectional Committee, MSD 17. Please [click here](#) to view the document.

Document Number : MSD 17 (25005) WC

Title of the document : Societal security Emergency management Message structure for exchange of information

Document Type : New Indian Standard

This document has following salient features which may require specific attention for your valuable comments:

- 1) This Technical Report describes a message structure for the exchange of information between organizations involved in emergency management. An organization can ingest the received information, based on the message structure, in its own operational picture.*
- 2) The structured message is called Emergency Management Shared Information (EMSI).*
- 3) This Technical Report describes the message structure built in order to facilitate interoperability between existing and new information systems.*
- 4) The intended audience of this Technical Report is control room engineers, information systems designers and decision makers in emergency management.*

Please examine the document and share your comments regarding further improvement in the document.

Last date for sharing the comments is : 05 May 2024

The comments should be shared in the prescribed template through this portal only; and the comments so received shall be taken up by the Sectional Committee for necessary action. For any other query, please write an email at msd@bis.gov.in to the undersigned at Bureau of Indian Standard, Manak Bhawan, 9, Bahadur Shah Zafar Marg, New Delhi.

In case no comments are received, we would presume your approval of the documents. However, in case we receive any comments on the document, the same shall be put up to the Sectional Committee for necessary action.

Thanking You,

Yours faithfully,
(ITS ADMIN)
Head (Management and Systems Department)
