CENTRAL MARKS DEPARTMENT-2

Our Ref: CMD-2/16: 1251

20/05/2026

Subject: Guidelines for implementation of revised IS 1251: 2026 (Zinc phosphide, technical — Specification).

1. IS 1251: 1988 has been revised as IS 1251: 2026 and has been published. The last date for implementation of the revised Standard is notified to be 18th **August 2026** after which the IS 1251: 1988 shall stand withdrawn.
2. The significant changes in the standard through this revision as listed in the Table are given for the purpose of general guidance.

Clause	Change
Cl. 5.1 (Old: Cl. 3.2)	Marking clause has been modified and requirement for declaration of nominal zinc phosphide content has been added
Cl. 5.1 (Old: Cl. 3.2)	Reference to Legal Metrology (Packaged Commodities) Rules, 2011 has been incorporated

3. The revision does not involve any major change in product requirements, testing infrastructure or test methodology affecting conformity assessment. Hence, no additional evidence of conformity is required to establish implementation of the revised Standard.
4. Consequent upon the issuance of the revised Standard, the existing Product Manual does not require technical revision; however, it has been aligned with the latest template.
5. In view of the above, BOs are requested to circulate this revision to licensees and applicants immediately within 7 days of issue of this circular.
6. All licensees shall ensure implementation of IS 1251: 2026 by 18 August 2026. BOs shall ensure that no licence is under operation as per IS 1251: 1988 after the last date of implementation.
7. Beyond 18th **August 2026**, no application for grant of licence and/or change in scope of licence shall be accepted or grant of licence/change in scope permitted as per the old standard IS 1251: 1988.
8. The above guidelines come into force with immediate effect.
