CENTRAL MARKS DEPARTMENT-2

Our Ref: CMD-2/16: 6719

04-08-2026

Subject: Guidelines for implementation of Revised IS 6719: 2026 (Moulded PVC Unit Outsoles — Specification).

1. IS 6719: 1972 has been revised as IS 6719: 2026 and has been published. The last date for implementation of the revised Standard is 20th September 2026 after which the old Standard shall stand withdrawn.
2. The significant changes (in addition to the various editorial corrections and references update) in the standard through this revision as listed in the Table are given for the purpose of general guidance.

Parameter	Old Clause No.	New Clause No.	Effective Change
Marking	4.2.1 (<i>as amended</i>)	5.2.1	A specific marking <i>location</i> ("outer waist") has been specified.

3. The revision does not involve any major change in product requirements, testing infrastructure or test methodology affecting conformity assessment. Hence, no additional evidence of conformity is required to establish implementation of the revised Standard.
 4. Consequent upon the issuance of the revised Standard, the existing Product Manual does not require technical revision; however, it has been aligned with the latest template.
 5. In view of the above, BOs are requested to circulate this revision to licensees and applicants immediately within 7 days of issue of this circular.
 6. All licensees shall ensure implementation of IS 6719: 2026 by 20th September 2026. BOs shall ensure that no licence is under operation as per IS 6719: 1972 after the last date of implementation.
 7. Beyond 20th September 2026, no application for grant of licence and/or change in scope of licence shall be accepted or grant of licence/change in scope permitted as per the old standard IS 6719: 1972.
6. The above guidelines come into force with immediate effect.
