Subject: Guidelines for implementation of revised IS 11569 : 2023 ‘Cervical Collar - Specification (First Revision)’

1. Existing IS 11569 : 1966 ‘Specification for Cervical Collar’ has been revised and published as IS 11569 : 2023 ‘Cervical Collar – Specification (First Revision)’. The last date of concurrent running of both the Indian Standards is 02 Feb 2024 (C-).
2. Currently there is only one licence for the product under LKBO. LKBO shall inform the Licensee under their jurisdiction about implementation of the revised Standard within a week of issuance of these guidelines.
3. Any difficulty in the implementation shall be brought to the notice of CMD III within 30 days of issuance of these guidelines.
4. The significant changes brought in the Indian Standard through the revision is listed in the Table below. LKBO is requested to ensure the compliance of the requirements as specified in the amended Indian Standard.

Sl. No.	Page no, clause reference	Change	Action required for compliance
a)	Page 1	Clause 2 ‘References’ has been added. Further all other Clauses have been re-numbered	No action
b)	Page 1, Cl. 4.2	Tolerance has been allowed on size of eyelet diameter	Test Report of in-house/ independent lab of any variety covered in the scope of licence to establish compliance.

5. Based on the changes in the Indian Standard, the existing Product Manual has been revised as **PM/IS 11569/2/September 2023**. Further, change in the Product Manual have also been made in Control Unit and Levels of Control prescribed in the Scheme of Inspection & Testing.
6. In order to establish conformity to modified requirements, licensee shall submit the in-house/independent test report of any variety covered in the scope of licence as evidence of conformity to the IS 11569 : 2023. The report shall be submitted by 02 Feb 2024, failing which necessary action may be initiated.
7. The above guidelines come into force with immediate effect.
