CENTRAL MARKS DEPARTMENT-2

Our Ref: CMD-2/16: 15742

25 05 2026

Subject: Guidelines for implementation of Revised IS 15742: 2026 (Textiles — Clothing Made of Limited Flame Spread Materials for Protection Against Heat and Flame — Specification).

1. IS 15742: 2007 has been revised as IS 15742: 2026 and has been published. The last date for implementation of the revised Standard is **04th August 2026** after which the old Standard shall stand withdrawn.
2. All BOs shall inform the Applicants and Licensees under their jurisdiction about implementation of the revised Standard within a week of issuance of these guidelines.
3. The significant changes in the revised Standard as listed in the Table are given for the purpose of general guidance. BOs shall ensure that the product conforms to all the requirements, as applicable, as per the revised Standard.

Clause	Change
1	Scope has been modified and “Textile material and material assembly” has been replaced with “Textile protective clothing”
3	Definition of “Textile protective clothing” has been defined in the terminology.
4	Limited flame spread indexes have been restructured & now Only 2 Limited flame spread indexes are covered in the Indian Standard. The Limited flame spread index 1 defined in the older version of IS 15742 has been omitted and Limited flame spread index 2 & 3 have been renamed as Limited flame spread index 1 & 2 in this revision.
5	Pre-treatment Requirements have been incorporated for reusable Textile protective clothing.
6.2 & 6.3	New test parameters i.e. “Dimensional Change of Textile Protective Clothing” & Sewing threads have been introduced.

4. Consequent upon the issuance of the revised Standard, the existing product manual has been revised (**PM/IS/15742/2 May 2026**) which is being circulated separately.
5. BOs to align the scope of licence of the existing licences with that defined in the latest Product Manual.
6. The guidelines for implementation of the revised Standard is given below:

A. LICENSEES:

- i. The licensee shall implement the revised Standard by **04th August 2026**. Any difficulty in implementation shall be brought to the notice of CMD 2 at the earliest. BOs shall ensure that no Licences are under operation as per the old Standard after **04th August 2026**. **The status of implementation of the revised Standard shall be confirmed by Head (BO) to CMD-2 within two weeks of the last date of concurrent running.**

- ii. The licensee shall submit evidence of conformity to the additional & modified requirements through In-house/Independent Test Reports as well as revised list of test equipment (as per Form 2)/testing arrangement. Verification of implementation of the revised Standard, wherever required, **shall be verified through a surveillance visit within 30 days of confirmation of implementation of the revised standard by licensee.**
- iii. If the Licensee fails to complete all actions by **04th August 2026** it shall be dealt with as per the prevailing guidelines.

B. APPLICATIONS FOR GRANT OF LICENCE:

- i. Existing Applications where Sample has been submitted in the Laboratory/Test Report has been issued by the Laboratory may be processed as per the old Standard. However, if the Applicant is desirous of considering the Application as per the revised Standard, a declaration may be obtained from the Applicant to that effect and the Application may be processed accordingly. An undertaking from such Applicants shall also be obtained that if the sample fails while considering the provisions of the revised Standard, Licence will not be granted by BIS as per the old version.
- ii. Applications which are recorded henceforth may be processed as per the old Standard or the revised Standard. Processing of Applications as per the old Standard shall be permitted only up to **03rd August 2026** and for such cases Applicant shall give a declaration that they will implement the revised Standard by **04th August 2026**.
- iii. Beyond **04th August 2026** no Licence shall be granted as per the old Standard.

C. CHANGE IN SCOPE OF LICENCE:

- i. For change in scope of licence, the relevant provisions as given above for Applicants shall apply.
- ii. However, processing of such applications for change in scope of licence as per the old Standard shall be permitted only upto the date of implementation of the revised Standard or up to **04th August 2026** whichever is earlier.

6. The above guidelines come into force with immediate effect.
