| | | <p>The Committee may examine the draft document, discuss and decide. The committee may approve the draft document attached above for circulating to Committee members as preliminary draft for 30 days. If agreed, Committee members are requested to comment on the P-draft as per BIS guidelines and email dated 23 July 2024 regarding commenting on P-Drafts.</p> <div style="display: flex; justify-content: center; gap: 20px;">   </div> <p>Email_P-draft_comments.pdf DG_Letter.pdf</p> <p><i>(27th Meeting)</i></p> <p>Committee approved the document for P-Draft for 30 Days. If no comment received, then the document to be sent for wide circulation for 30 days with the approval of the chairperson.</p> <p><i>Action Taken:</i> The document under the process of P-Draft.</p> | | |
| 7 | <p>4.2 SI No. 3(i)</p> | <p><u>IS 4005:1967 — Specification for tungsten carbide for mining tools</u></p> <p>The Committee discussed the matter and decided that now, the document under WC shall be sent to Shri Girish Kumar from M/s Epiroc (contact no. 9561092276, girish.kumar@epiroc.com) for review and providing comments, if any within 7 days. The committee further discussed and decided that it's a very long pending document so if no comments are received from Shri Girish Kumar within 7 days, the WC document shall be considered as finalized and shall be sent into printing.</p> <p><i>Background:</i></p> <p><i>(23rd Meeting)</i></p> <p>The committee decided to revise the composition of the panel as given below:</p> <p>1. Md. Niyazi, Director (S&T), DGMS (Convener)</p> | <p>While sending the F draft for printing , it has came to notice that marking clause is not mentioned in the Indian Standard. Hence, it is recommended that the below clause for marking shall be added in the F Draft for IS 4005 <i>Specification for tungsten carbide for mining tools:</i></p> <p>8 MARKING</p> | <p><i>Committee approved the marking clause in the standard and approved the document attached as finalized draft and advised MS that the same shall be sent for printing.</i></p> |
