Draft Indian Standard

ANIMAL FEEDING STUFFS — DETERMINATION OF PHYTASE ACTIVITY

[First revision of IS 17905]

(Adoption of ISO 30024: 2024)

ICS 65.120

Animal Feed and Nutrition Sectional Committee, FAD 05

Last Date of Comments: 10 September 2025

NATIONAL FOREWORD

(Adoption clauses will be added later)

This Indian Standard (First Revision) is identical with ISO 30024:2024 'Animal feeding stuffs — Determination of phytase activity' issued by the International Organization for Standardization (ISO).

The standard was originally published in 2022 as an identical adoption of ISO 30024: 2009 'Animal feeding stuffs Determination of phytase activity'. ISO 30024 was subsequently revised in 2024. The first revision of the standard has been undertaken to align with ISO 30024: 2024 and is an identical adoption under dual numbering. The main changes in this revision are as under:

- a) the scope has been extended to include complementary compound feeds, mineral feeds, premixtures and feed additives;
- b) phytic acid (phytate substrate) specifications have been added.

Doc: FAD 05(28330)C August 2025

The text of ISO Standard has been approved as suitable for publication as an Indian Standard without deviations. Certain conventions are, however, not identical to those used in Indian Standards. Attention is particularly drawn to the following:

- a) Wherever the words 'International Standard' appear referring to this standard, they should be read as 'Indian Standard'.
- b) Comma (,) has been used as a decimal marker while in Indian Standards, the current practice is to use a point (.) as the decimal marker.

In reporting the result of a test or analysis made in accordance with this standard, if the final value, observed or calculated, is to be rounded off, it shall be done in accordance with IS 2: 2022 'Rules for rounding off numerical values (*second revision*)'.

'FOR COMPLETE TEXT OF THE DOCUMENT, KINDLY REFER ISO 30024: 2024.'

Note: The technical content of the document has not been enclosed as this is identical with corresponding ISO Standard. For obtaining the hard copy of the complete ISO Standard, please contact:
