## *Indian Standard*

# **GLOSSARY OF TERMS FOR SEALANTS FOR BUILDING PURPOSES**

( ISO Title : Building Construction - Jointing  
Products - Sealants - Vocabulary )

### **National Foreword**

This Indian Standard which is identical with ISO 6927 - 1981 'Building construction – Jointing products - Sealants - Vocabulary', issued by the International Organization for Standardization (ISO), was adopted by the Indian Standards Institution on the recommendation of the Building Construction practices Sectional Committee and approval of the Civil Engineering Division Council.

Wherever the words 'International Standard' appear, referring to this standard, it should be read as 'Indian Standard'.

Only the English language text in the international Standard has been retained while adopting it in this Indian Standard. Consequently, foot-notes in relation French version stand deleted. Adopted

### **1 Scope and field of application**

This International Standard defines technical terms for sealants for building purposes and applies to joints filled with hardening, plastic or elastic materials which are not preformed.
