

98 2/10

SYNOPSIS

IS 13961 (Part 1) : 2018/ IEC 60832-1 : 2010

IS Title : Live Working — Insulating Sticks and Attachable Devices : Part 1 Insulating Sticks (*First Revision*)

a) Scope

This part of the standard gives the essential requirements for insulating sticks for live working for use on a.c. electrical installations.

Part 2 of the series covers devices that can be attached onto and removed from the fitting of the insulating sticks.

The products designed and manufactured according to this standard contribute to the safety of the users provided they are used by skilled persons, in accordance with safe methods of work and the instructions for use.
