

Indian Standard

GUIDE TO TEROTECHNOLOGY

PART 2 INTRODUCTION TO TECHNIQUES AND APPLICATIONS

1 SCOPE

This standard (Part 2) provides introductory guidance to managers on the techniques used in applying terotechnology (The techniques themselves are described in Part 3 of this standard). It outlines the techniques and describes how, generally, they are incorporated into decision-making processes. It also illustrates how individual and departmental interests and considerations interact with others and emphasizes the importance of communication throughout the enterprise.

2 REFERENCES

The following standards contain provisions which, through reference in this text, constitute provisions of this standard. At the time of publication, the editions indicated were valid. All standards are subject to revision and parties to agreements based on this standard are encouraged to investigate the possibility of applying the most recent edition of the standard indicated below:
