Indian Standard
ELECTROTECHNICAL VOCABULARY
PART 42 POWER CAPACITORS

NATIONAL FOREWORD

This Indian Standard (Part 42) (First Revision) which is identical with IEC Pub 50 (436) (1990) 'International electrotechnical vocabulary - Chapter 436 : Power capacitors', issued by the International Electrotechnical Commission (IEC), was adopted by the Bureau of Indian Standards on the recommendation of the Basic Electrotechnical Standards Sectional Committee and approval of the Electrotechnical Division Council.

This Indian Standard (Part 42) was first published in 1985. The first revision has been undertaken to align with the international practice.

Only the English text given in the IEC publication has been retained while adopting as Indian Standard, and as such the page numbers given here are not same as in IEC publication.
