# GLOSSARY OF TERMS RELATING TO RIVER VALLEY PROJECTS

### PART 19 GROUTING

#### 1 SCOPE

This standard (Part 19) covers the definitions of terms relating to grouting for river valley projects.

#### FOREWORD

This Indian Standard (Part 19) was adopted by the Bureau of Indian Standards, after the draft finalized by the Terminology Relating to River Valley Projects Sectional Committee had been approved by the River Valley Division Council.

A large number of Indian Standards have already been printed covering various aspects of river valley projects and some more are in the process of formulation. These standards include technical terms, and precise definitions for these are required for avoiding ambiguity in their interpretation. To achieve this aim, Terminology Relating to River Valley Projects Sectional Committee is bringing out Indian Standard Glossary of terms relating to river valley projects (IS 4410), being published in parts. This part contains definitions of terms relating to grouting.
