*Indian Standard*

**FLOSSARY OF TERMS  
RELATING TO RIVER VALLEY PROJECTS**

**PART 21 FLOOD CONTROL**

**1. SCOPE**

**1.1** This standard covers the definitions of terms relating to flood control.

**FOREWORD**

**0.1** This Indian Standard (Part 21 ) was adopted by the Bureau of Indian Standards on 30 November 1987, after the draft finalized by the Terminology Relating to River Valley Projects Sectional Committee had been approved by the Civil Engineering Division Council.

**0.2** A number of Indian Standards have already been published covering various aspects of river valley projects and a large number of similar standards are in the process of formulation. These definitions of which are required to avoid ambiguity in their interpretation. To achieve this end, this standard is being published.
