Indian Standard

**SPECIFICATION FOR
RESISTANCE WELDING EQUIPMENT**

**PART III SINGLE-PHASE SPOT AND PROJECTION
WELDING MACHINES**

1. SCOPE

1.1 This standard covers the essential electrical and mechanical features pertaining to standard sizes of stationary single-phase ac transformer, press type spot and projection welding machines. It does not include electrical and electronic control equipment.

1.2 This standard does not cover portable, fixture type or gun type resistance spot and projection welding machines, nor does it cover special multi-spot projection welders of frequency conversion types.
