**GUIDE FOR SELECTION OF TYPE AND PAGE  
LAYOUT IN TEXTBOOKS**

**1. SCOPE**

**1.1** This standard gives guidance for the selection of paper and type and typographical layout in textbooks with respect to comprehension, readability and presentation. The recommendations relate to textbooks printed in English to be read under normal conditions and covers pre-primary, primary, middle, and secondary/university levels which roughly correspond to the age groups under 6, 6 to 10, 11 to 13, and 14 and above, respectively.
